

GET TO KNOW MESSENGERS OF PEACE PROGRAMME

The Messengers of Peace programme (MoP) encourages Scouts to contribute to the construction of a Culture of Peace through community service actions, in collaboration with community members and an international network of scouts.

Scouts then tell the story of their experience to others in order to inspire them to take action in their communities. When they share what they are doing as scouts to create a culture of peace, they join a global network of scouts also creating positive change.
