

SCOUTS CREATE A SAFE FROM HARM WORLD

IN SCOUTING, EVERYONE CONTRIBUTES TO CREATE A SAFE SPACE!

Everyone means that each young person and adult, to the extent of their abilities and responsibilities, has a part to play in creating what is needed to ensure the safety, personal development, and wellbeing of all.

SAFE FROM HARM INGREDIENTS

Safe from Harm is for everyone.

Let's look at Safe from Harm like a pizza. Everyone can enjoy the pizza when all the basic ingredients are there. The pizza then becomes more delicious with every ingredient you add to it.

In Safe from Harm terms, when we all contribute our own ingredients, everyone can enjoy a safe space.

We have partners to help us develop a safe space "culture"

We ensure that diverse people are included in our structures

We offer safe facilities and equipment

We include parents, teachers and others in co-creating a safe space

We have a Safe from Harm policy in place in the National Scout Organization

We support the special needs of everyone

We offer a way for people to express their concerns, i.e. a listening ear

We provide all necessary information about Safe from Harm measures

We ensure that everyone feels responsible for ensuring a safe space

WHAT ADDITIONAL INGREDIENTS WILL YOU ADD TO IT?

SAFE FROM HARM IN THE WORLD ORGANIZATION OF THE SCOUT MOVEMENT

World Scouting is committed to ensuring an environment that is Safe from Harm across the scout movement, and beyond. The World Safe from Harm Policy facilitates the development and implementation of necessary policies and procedures in a NSO to create a safe environment for all in Scouting.

A safe environment enables the self-development of youth as well as the creation of positive and healthy interpersonal relationships between all, may it be between youth and other youth; youth and adults; or adults and other adults.
