World Scout Committee
Secretary-General
World Organization of the Scout Movement

Date

Subject: Letter of Request for SCENES Accreditation

On behalf of (name of the NSO), it gives us great pleasure to recommend the following Scout centre(s) for accreditation as a Scout Centre of Excellence for Nature, Environment, and Sustainability (SCENES) for their excellent environmental practices:

- Full name of the Scout centre, location

We recognise that Scouting has a critical role to play in developing citizens of the world who are connected to nature, have an understanding of and an enthusiasm for the environment, and are empowered to act responsibly to ensure the future of our planet.

This Scout centre, as well as our National Scout Organization, are committed to:

- protecting the natural assets of the Scout centre and its surroundings and providing opportunities for Scouts to experience and connect with the natural world.
- promoting active engagement in educational programmes that focus on helping young people make informed choices about the environment, people, and society.
- striving for excellence in environmental management practices.

Therefore, we kindly ask you to begin the SCENES accreditation process for (name of the Scout centre).

Please find attached the completed requirements checklist, the peer review conducted by (name of peer reviewer) from (name of Scout centre to which the peer reviewer belongs to, or the SCENES review committee involved), and (as well as any other supporting documents).

Yours in Scouting,
