INVITATIONS TO HOST FUTURE WORLD SCOUT EVENTS

NOTE

This document should be studied and discussed by your NSO and brought to the Conference by your delegation.

The Conference will vote on which invitations to accept.

Invitations to host:

- **THE 42nd WORLD SCOUT CONFERENCE AND 14th WORLD SCOUT YOUTH FORUM, 2020**
 - **THE 25th WORLD SCOUT JAMBOREE, 2023**
- In September 2015, in accordance with the official procedure adopted by the World Scout Committee (WSC) in 2007, World Scout Bureau (WSB) Circulars 19/2015 and 20/2015 called for invitations from National Scout Organizations (NSOs) to host the above-mentioned world Scout events. The Circular indicated that the deadline for receiving declarations of intention was 31 January 2016.
 - The applicant NSOs were informed by the WSB as to the official WOSM guidelines and requirements for the hosting of these different world events as well as Resolutions regarding world events adopted by previous World Scout Conferences.
 - In October 2016, the WSC reviewed the invitations and the feasibility reports which had been received from the applicant NSOs. The WSB also reported on the visits made by its staff to all NSO applicants.
 - The WSC has decided to bring before the Conference the following invitations:

Educational Objectives

- Capacity Building efforts will be initiated by empowering youth in developing and strengthening their skills, instincts, abilities, processes of surviving with life skills and accumulating resources they need to survive with, adapt, and thrive in this fast-changing world.
- Youth Involvement in the process of jamboree by making them to understand the concept of "Creating Better World" and to decide how to strengthen the social influence of Scout Movement.
- Global Exchange by creating opportunities and providing ample space for every youth to dream to accomplish the theme "Draw your Dream" and create a phenomenon worldwide.

Proposed Programme

- Dream Zone - Programme based on Draw your dream concept by providing youth a stage to create their own world of reality by which dreams transform in to real life experience.
- IST Island - an exclusive area for fun and relaxing after working time.
- 21st century life skills - Challenge Valley – Smart techniques to enjoy Nature and Scouting, with new experience of innovations with a fusion between advanced technology and Scout traditions.
- Home Hospitality (HoHo) programme - Customised HoHo programme on regional basis by crossing borders and building bridges, which will be a totally new experience and new trend will be set for next decade.

Reducing and controlling costs

- The cost of the event preparation phase will be covered by the Korean government.
- Costs of all Jamboree infrastructure will also be covered by the Korean government.
- Participant fee will only pay for programs and basic amenities.
- Support from Korean major global companies will minimise financial burden on participants.
- To reduce the airfare and easy entry for participants, consultations are taking place with national airlines to become Jamboree sponsors and also to facilitate with charter flights for desired NSO's.

Estimated Fees

- Participants & CMT: USD 500(average)
- IST - Aged 17 - 25: USD 350(average)
- IST - Aged over 26: USD 400(average)

Minimising environmental impact

- KSA will ensure an eco-friendly Jamboree with energy conservation and solar energy utilisation in all sub camps.
- The aim is to plant more than 100,000 trees to leave behind a better Jamboree site,
- A comprehensive recycling system will be implemented in line with Korea's "Green Vision 21" – a comprehensive sustainability policy.
