Creating a Better World

Young people are empowered to develop their capacities for making decisions that affect their lives; and engage in decision-making in the groups and institutions in which they are involved, so that they actively contribute to creating a better world.

Les jeunes sont habilités à développer leurs capacités à prendre des décisions qui affectent leurs vies ; et à s'engager dans la prise de décision dans les groupes et les institutions dans lesquelles ils sont engagés, afin qu'ils contribuent activement à créer un monde meilleur.
